To whom it may concern:

Ken Mehlberg

140 Iota Court, Madison

I currently live in the immediate vicinity and I would like to register my opposition to the proposed project at 126 Langdon St, Madison.

The project is proposing an extremely high density total of 526 occupants with double occupancy figures included (see attached). This project is proposing more than 159 beds over other similar developments in the area, which is already very high-density (see attached). This will cause major issues during change-over, sorority/fraternity rush, and other active periods like home football games. It's naïve to believe that the owners have plans in place to address these issues; I look to this groups documented actions as it relates to past developments like the Hub on Frances St. in Madison which has a shortage of street parking and seems to attract excessive attention from police and other security vehicles.

Where are the tenants going to park? The owners have stated that they are not going to have volume parking and will not seek tenants with vehicles, but surely these tenants will have visitors/friend, and this will put more pressure on an already tight parking area.

It seems like more students than ever have dogs, and all it takes is a walk down Langdon St. to realize that few clean up after their animals, are there going to be pets at this location?

UDC did not recommend the additional two stories. This project is simply too big for the area it is proposed for and need to be scaled back to meet the standard set by other similar buildings in the Langdon St area. 526 occupants is way too dense for the neighborhood as the excessive congestion will create noise, security, parking, and police problems throughout the year.

Thank you in advance for your consideration.

My name is Gene Devitt. I object to the extra two stories and current mass of the building does not fit in with the other buildings in the neighborhood. I do not agree with the style of the building. It is new. I do not agree with rooftop activities that are being planned either.

Save Our Neighborhood - Oppose Hub II

Matthew Mitnick	Madison, CA	2020-05-14	"There are so many reasons why this project should be denied. What strikes me the most is that Core Spaces has violated a number of Conditional Use Approval Standards, the project has no affordable component, and there are serious alleged ethical breaches within this process. As a student concerned about my own rent in the wake of COVID-19, the prospect of another luxury student housing project greatly unsettles me. The City of Madison's Plan Commission should listen to the voices of students and neighbors who have additional concerns about the scale and scope of this project. It is for these reasons that I oppose Hub II as currently proposed."
Sebastian Waldvogel	Madison, WI	2020-05-14	"We need to keep campus living affordable to all students, not just the rich ones. Everyone should be able to afford the true wisconsin experience, and part of that is living near campus."
Andie Hach	Madison, WI	2020-05-14	"Langdon st. is part of the Mansion Hill Historic District. It's full of unique architecture and history. Many buildings are official historical sites and the Madison Trust for Historic Preservation gives tours throughout the area remarking on them. It would be degrading to the area's history and community to promote such blatant gentrification."
Dominic McClain	Madison, WI	2020-05-14	"I'm signing because housing is essential to a stable life, and pricing such a fundamental expense at such a high rate is immoral."
Nancy Proctor	Glendale, WI	2020-05-14	"It's important to maintain affordable housing for students in nearby neighborhoods, to serve the broadest part of the student body."
Amol Goyal	Madison, WI	2020-05-14	"This poses both a legal and an environmental issue to the area, it can't go ahead as proposed."
Ebenezer Ojo	Inver Grove Heights, MN	2020-05-14	"Leaving on campus is already expensive enough"
Erin Bruehlman	Madison, WI	2020-05-14	"UW students deserve affordable housing!"
Ariana King	Menomonee Falls, WI	2020-05-14	"We do not need another luxury apartment building that puts a strain on people's financial situation that is already stressed due to COVID-19."
Sally Rohrer	Madison, WI	2020-05-14	"We need more affordable housing!"
Brynn Maphis	Madison, WI	2020-05-14	"I'm signing because that would take away from the historic part of Madison. We've already lost enough with all the high rises downtown."
Bryce Moystner	Destin, US	2020-05-14	"I was born and raised in Madison, it was hard enough seeing the James be built and take out the whole corner and parking lot. I used to throw frisbee there with friends it was a place of congregation

			and good times. Now it feels like hitting a corner in downtown Chicago. Madison is unlike any other place in the world, the art, people, food and culture make it such an amazing place to live or even visit. Another luxury apartment complex isn't what Madison needs when so many people have enough issues with rising rent prices due to the previous buildings being put up (Hub and James Madison) if you want a money hungry development company it sure sounds like Core is it. Madison needs more affordable homes and apartments for its current residents. Madison is a small town Capital and doesn't need to be thrown into a metropolis where the skyline is full of buildings that overshadow each other. Madison is a dairy farming Capitol with an amazing farmers market with beautiful history and culture. Don't destroy wha"
Dan Leunig	Hartford, WI	2020-05-14	"Landon Street and really the whole lakeside area does not need this and they can redesign to stay within the community guidelines."
Gustavo Marquez	Chicago, IL	2020-05-14	"The Hub 2 is a scam for money and is only benefiting property owners."
Kaylin Hewitt	Campbellsport, WI	2020-05-14	"I don't think such an extravagant, expensive addition is necessary, especially not in the proposed location on Langdon."
Sebastian Daniel	US	2020-05-14	"FUCK LUXURY APARTMENTS. AFFORDABLE RENT NOW!"
Caroline Hensley	Clemson, SC	2020-05-14	"Madison needs affordable housing, not poorly made luxury buildings!"
Jocelyn Parker	Madison, WI	2020-05-14	"We don't need more unaffordable housing in Madison."
Katherine Feldkamp	Little Silver, NJ	2020-05-14	"Hub II will ruin the current Langdon St. environment, this is not the place for this overpriced, luxury apartment building."
Daisy james	Stoughton, WI	2020-05-14	"We deserve livable and affordable housing"
Kaitlin Marquardt	Madison, WI	2020-05-15	"Rent is already ridiculously high for students"
Emily Engel	Larchmont, NY	2020-05-15	"No one asked for this"
Karly Thoe	Appleton, WI	2020-05-15	"Many concerned neighbors in the Langdon area have voiced concerns about the plan for this building to the development company and they have no listened to a single concern. They don't care about the people living on Langdon or the history of the area!"
Chris Taylor	Madison, WI	2020-05-15	"The Hub II can be built somewhere else. We don't need another generic apartment building in a historic neighborhood."
Sammy Fogel	Madison, WI	2020-05-15	"The last thing Madison needs is another expensive ass apartment building to serve the children of the ultra rich. Madison needs more affordable housing!!!"
Carl John Zabat Jr	Bartlett, IL	2020-05-15	"If Madison wants to be the progressive city it is known as, it needs to damn well act like it. There are so many more useful and communal things to do with this space rather than drive up the

			housing market and continue to push low-income students and residents away from UW and the city."
Karyn Esbensen	Madison, WI	2020-05-15	"Fuck the hub"
Jayne Hoffmann	Sun Prairie, WI	2020-05-15	"Keep Langdon, Langdon!!!"
Abby Meier	Oregon, WI	2020-05-15	"Langdon is a gorgeous historical area of Madison and should be protected as such for future generations"
Jon Zabel	Madison, WI	2020-05-15	"Parking on and around Langdon is already difficult as it is. Adding another massive apartment complex would make parking in this tough area nearly impossible."
Adam Storch	US	2020-05-15	"It's a total disruption to the historic neighborhood on Mansion hill."
Trey Prater	Waukesha, WI	2020-05-15	"stop catering towards the uber wealthy and their entitled children and build housing that regular students can afford 💎"
Jamie Weisensel	Madison, WI	2020-05-15	"Jamie Weisensel"
Breanna Adkins	Milwaukee, WI	2020-05-15	"Luxury, overpriced apartments have no space on Langdon Street..."
Madison Catchot	Madison, WI	2020-05-15	"These apartments are twice as expensive than others in the area and will raise the cost of a college students budget."
Arman Khan	Madison, WI	2020-05-15	"Nah fam, this is wack."
Jess R	Madison, WI	2020-05-15	"I don't believe the developers of this project have the best interests of the community in mind. There previously built buildings are cheaply made and don't accurately reflect their astronomical prices."
Dan Reams	Cary, NC	2020-05-15	"We all know how gentrification works, and we all know how it is curtailed.San Francisco, a once thriving, artful place, has been turned into a playground for the elite, its service workers forced into farther and farther commutes, not being able to live within its confines.New York's ground-breaking rent control kept its denizens intermingled, its affluent with its less fortunate.Neither of those statements is absolute, but their spirit is true.What kind of community do we want? Rich ideas, fair housing, or rarefied air, stagnant, sliding ever farther from a quest to be better, drifting toward materialism...without necessarily even intention...but inevitable, nonetheless.I do not consider Langon Street's current configuration stagnant. Sometimes, if used sparingly, tradition can be a solid foundation, and in this case, one that helps support the university system as a whole. Short term "make a quick buck" development is short sighted, and by definition, lacks vision."

Sydney Wellenstein	Madison, WI	2020-05-15	"Keep historic neighborhoods. Keep affordable housing. Don't build the Hub II."
Lily Kenitz	Madison, WI	2020-05-15	"We need to keep as much of the true Madison as we can. There are plenty of big apartment buildings such as the original hub as well as affordable rental properties, a lot owned by fellow residents in town. Let's support each other and our town! Not a company who tears down our history with another fancy apartment building that we don't need!"
Jared Holloway	Madison, WI	2020-05-15	"I am moving into this neighborhood and another expensive luxury high rise is not what this community needs. Preserve historic spaces."
kalib kotecki	Madison, WI	2020-05-15	"Fuck the hub, we have enough 1500 dollar a month housing already"
Sammi Visintainer	Menomonee Falls, WI	2020-05-15	"Affordable housing is already a huge issue across UW- Madison campus. Let alone, food insecurity exists across all campuses. People worry about where their next meal could be coming from. How can you imagine people can afford astronomical housing costs if there are prevalent issues regarding access of basic necessities like food."
Ryan Adams	Madison, WI	2020-05-15	"I want to maintain the Langdon street environment and culture that would be ruined by a large building like this."
Hailey Madison	Madison, WI	2020-05-15	"Another Hub is not what Madison needs. Madison needs affordable student housing. They've already scarred State Street by replacing historic buildings. They don't need to do it to Langdon too."
Julie Shaw	King of Prussia, PA	2020-05-15	"I believe in maintaining our historic spaces! Putting in more high density housing even under the guise of basing luxury only degrades communities and neighborhoods."
Stephen Nilsen	Loganville, WI	2020-05-15	"Madison is for all people"
Sam Lokken	De Pere, WI	2020-05-15	"Housing is already so expensive and our students need to be able to afford it, they're our future"
Tayler Palkowski	Madison, WI	2020-05-15	"Madison has a housing affordability problem already. The solution is not building another luxury apartment complex that can only be afforded by athletes and people whose parents can afford an amount that costs more than most people's mortgage."

Sean Horvath	Madison, WI	2020-05-15	"One Hub is already too many"
Callista Hoxie	Madison, WI	2020-05-15	"I can barely afford housing in Madison as is!"
Elle Russell	Columbus, WI	2020-05-15	"Every time I go back to Madison, I see its streets becoming more and more corporate and wealthy. I was the kind of UW student that scraped by at times and could never afford the luxury apartment complexes that were already beginning to reshape the community. The last thing the people of Madison need are more shiny, bland, and expensive apartment complexes taking over the neat, quirky neighborhoods that make it special."
Kelsey Weddig	Fish Creek, WI	2020-05-15	"Madison doesn't need another Hub when the first one already has problems galore. Respect the students and the Madison community at large!"
James Sippel	Madison, WI	2020-05-15	"We need affordable housing, not luxury housing"
Jerimiah Koll	Madison, WI	2020-05-15	"The last thing we need is another luxury apartment to drive up rent"
Amanda Borkowski	Platteville, WI	2020-05-15	"I'm signing because I was a student at UW Madison and lived on Langdon street for 4 years and do not want to see the neighborhood ruined."
Michael Verban	Madison, WI	2020-05-15	"We need affordable housing for UW, not ridiculously expensive apartments that fill already crowded areas with more high density living spaces."
Brooke Nowak	Madison, WI	2020-05-15	"Langdon St currently provides a lot of affordable housing for students, we don't need any more luxury apartments in the area. It will also clash with the beauty and historic atmosphere of this area."
Garrett Wolff	Madison, WI	2020-05-15	"This is the last thing Madison needs, multiple Hub properties still sit open today."
Marina Zivkovic	chicago, IL	2020-05-15	"Does not belong in this area with sororities and fraternities surround it. Leave it as a residential area."
Emma Dewane	Manitowoc, WI	2020-05-16	"Not designed in accordance with city zoning codes. May cause light and noise pollution, groundwater contamination, traffic disruption, and the like. Unaffordable expensive units will drive up already steep prices of students housing options in the surrounding area"
Maleesa Xiong	Illinois	2020-05-16	"When developers build luxury apt. buildings like this, they allow the wrong kind of tenants to live on Langdon. With these outrageous prices, the tenants they are attracting are non-UW students who want to live on a college campus or college students who want a city lifestyle without the college grit. Both of which are not part of the culture on Langdon Street. There are other luxury apt. buildings on campus with plenty of vacancy, there is no need for another one. Instead the developer should look into the 100 empty lots in the city of Madison to offer more housing options for Madison residents and can also contribute long-standing benefits to the city itself. There is so much good a developer CAN by using their resources

Rachel McClure	Lafayette, CO	2020-05-16	"Rents are skyrocketing already. Protect our city."
Angela Ablaberdieva	Madison, WI	2020-05-16	"We need more affordable housing in Madison, especially during/after COVID-19. This is the opposite."
Julie LaRose	Brookfield, WI	2020-05-16	"I think the charm of Langdon would be diminished with a high rise."
Savannah Borges	Gainesville, US	2020-05-16	"I want to preserve the beautiful historic downtown Madison"
Gordon Bentley	Chicago, IL	2020-05-16	"As a UW Greek community alum, this building has no place on Langdon street. It doesn't conform to the architectural style of the historic district, and would be a complete shit show of a living space, just like the Hub 1."
Carrie Liebhauser	Writ tarpan, WI	2020-05-17	"I believe the Langson area should be preserved not bulldozed."
Morgan Baker	Madison, WI	2020-05-17	"Will ruin the historic beauty of Langdon the hub is way to expensive for students anyways!!"
Summer Herrmann	Madison, WI	2020-05-17	"Fuck this high rent around campus. I am trying to get an education and they are gentrifying classic neighborhoods all around downtown."
Trent Hopkins	Madison, WI	2020-05-17	"Project is unnecessary. Jeopardizes the aesthetic integrity of Langdon st. Douchebags live at the hub, I don't want more douchebags in my neighborhood"
Jake Block	Bethesda, MD	2020-05-17	"This would cause way too chaos on Langdon St."
Lisa Drummond	Madison, WI	2020-05-18	"As a UW alumna, parent of a current UW student & a 32 year resident of Madison, I have many concerns about building another large, luxury student apartment complex on campus. Architecture in an historic district, size-I've toured others and find them too large & impersonal, parking issue, affordability and impact on the environment and community are just a few."
