Subject: RE: Missing State Seller's Permit Number on Liquor Renewal

Hi Michael,

I am just following up to my email sent on April 21. We still have not received your state seller's permit number, which was missing on your renewal form. Our office will be generating a list of liquor license renewals next Monday. If we do not have all of your information on your renewal, the Attorneys Office may separate your liquor license at the renewal hearings in May.

Subject: Missing State Seller's Permit Number on Liquor Renewal

Hi Michael,

I am in the process of auditing your liquor license renewal for Tipsy Cow on King St, and you left the State Seller's Permit number field blank. Could you please respond with that number?

Thank you,
