Subject: Café Coda request for outdoor seating
Date: Tuesday, June 9, 2020 7:03:11 PM

At last month's ALRC , the request for change of licenses premises was referred at my request. Tonight the MNA preservation and development committee and neighbors met with Hanah Jon Taylor and voted to support. The full board will take up the item next week. He know understands that he is not eligible for the Streatery program because the establishment is a nightclub. If he applies for the conditional use by June 17, it appears that he couldn't get on the Plan Commission agenda until August 10. If I waive 30 day notice, can this timeline get moved up?

You can fill out the census from home. Everyone living in your household should be counted. Census data determines how more than \$675 billion in federal funds are distributed to communities across the country for affordable housing, childcare, healthcare, education, transportation, and more. That's over \$2,000 per person for Madison and Dane County every year. Please remind friends and family to be counted. By law your answers are confidential.
