Hello Grant,

I live directly across the street from Jo Beck's tavern on Cottage Grove Rd. I have witnessed a lot of disturbing behaviors coming from there. The patrons stand out in front of the building to smoke, talk, scream, yell, swear, and blast music from their cars. This noise occurs during the day and at mostly night. Closing time is especially disturbing and wakes us up almost every night/morning.

I'm not sure what to do, but I was thinking of calling the police. I hate to bother them with everything else that's going on.

Do you have any suggestions as to what can be done to end this?

Thank you,  
Diane Fitz
