Good evening,

I wanted to included my comments in addressing issues w JoBeck's bar. I moved in across the street in the Royster Common's bldg in midApril. JoBeck's reopened at the end of May and I became very aware very quickly that this establishment is a nuisance that does not respect it's residential location. The clientele gather and yell back and forth in the parking lot and there are daily shouting matches and/or scuffles. The noise is often well into the early morning and will wake up my household - even with windows shut. I sent an email complaint to MPD in early June noting my concerns. Thank you, Lesly Oxley. 523 Grand Oak Trail, #307.
