Grant,

I enjoy your updates. Thank you for taking the time to keep everyone up to date. I'm sorry I haven't thanked you earlier.

One comment on the Spaanem stop signs. If they consider doing that, then they should be consistent and put one or two up on Maher Avenue. Once Spaanem has signs, Maher will become the new speedway.

We walk the street all the time and there is a stop sign needed on the southbound intersection of Maher and Hob. It's a hilltop and cars come speeding up and then down the hill. The northbound intersection doesn't seem to need one, since cars are coming uphill.

I'd appreciate it if you'd mention this. I will do a comment as well.
