

Alder Abbas (District 12): Proposed Amendments from the Floor to Leg File 59745

1- Motion to protect all 30 acres as a Natural Area and asking staff to look for additional housing at employment zoning and light industrial zoning in Oscar Mayer Special Area Plan.

2- Motion to open Coolidge Street for only Biking and Pedestrian access only and not allow access to vehicle entrance.

3- Motion to address racial justice and social equity during the OMSAP redevelopment process which must include assessing and preventing human exposures to toxic chemicals at the site and/or released from the site among all people and particularly at-risk low income people and people of color.

4- Motion to add Goal 3 at Page 53 of OMSAP under **GREEN & RESILIENT RECOMMENDATIONS**

Goal 3: Prioritize the use of green building strategies and certifications in development and redevelopment projects to achieve holistic, integrated sustainability outcomes including water resource protection, waste reduction, climate resilience, and community health promotion.

1. Establish a green building resource collection on a city webpage with green building resources, case studies, and a marketplace for local business.

2. If possible, create a green building center at a municipal building to educate the public with exhibits and displays, as well as the information in (1).

3. To the extent allowed by law, develop a green building policy that sets standards or incentives incorporating green building certification for development and redevelopment, for inclusion in TIF agreements and appropriate development approvals.
