BUSINESS PLAN FOR SHAKE SHACK WISCONSIN LLC

Our Story

Shake Shack sprouted from a hot dog cart in Madison Square Park in Manhattan to support the Madison Square Park Conservancy's first art installation. The cart was quite the success, with Shack fans lined up daily for three summers.

In 2004, a permanent kiosk opened in the park: Shake Shack was born. This modern day "roadside" burger stand serves up the most delicious burgers, hot dogs, frozen custard, shakes, beer, wine and more. An instant neighborhood fixture, Shake Shack welcomed people from all over the city, country and world who gathered together to enjoy fresh, simple, high-quality versions of the classics in a majestic setting. The rest, as they say, is burger history.

Shake Shack has now grown into a gourmet fast-casual restaurant with more than 250 locations domestically and internationally.

Stand for Something Good

We are committed to extending hospitality beyond the four walls of each Shack into the surrounding community. That means carefully sourced premium ingredients from like-minded purveyors we admire and love; thoughtful, well-crafted and responsible design for its place; and deep community support through donations, events, and volunteering.

Good Ingredients

We pride ourselves on sourcing incredible ingredients from ranchers, farmers, bakers, and food purveyors who all share our values. We are dedicated to ensuring that ALL our meat is antibiotic and hormone free.

Our burgers are made with 100% Angus beef that is humanely raised, vegetarian fed, and source verified. Our chicken is real white-meat that's fresh, never frozen. Our flat-top hot dogs are 100% beef from the pros at Vienna Beef in Chicago. Our fries are crinkle-cut golden potatoes with no trans fats.

Good Bones

Each Shack is constructed thoughtfully and purposefully to fit its unique environment, using a creative design approach that creates places and experiences like nowhere else. Think walls made of reclaimed antique barn wood siding, one-of-a-kind murals commissioned from local artists, living green walls and lighting installations inspired by local surroundings.

Our Plan

Our Hilldale Shopping Center Shack, which will be our second location in Wisconsin, will be open daily to greet and feed hungry guests from 11 a.m. to 11 p.m. Guests can be seated in the inside dining room or

outside on the patio while enjoying our great selection of burgers, chicken, hot dogs, fries, shakes, concretes, and frozen custard as well as soft drinks, beer and wine.
