Hey Gary!

Thanks for calling to ask if it would be okay to extend the Monday's patio over in front of our store. That will not be a problem at all and you have our permission to do so! It's also okay if the bike rack that is in front of our store gets moved in front of Five Guys, so if our input affects it you definitely have our support for that too.

Please let me know if you need anything else from me!

Best,

Mark
