Hello Council,

Update on Rigby Rooftop. Attached you will find a sketch of what we are planning with the rooftop space. I had a more in-depth diagram that we scratched due to material constraints, but I can provide that if this one isn't specific enough. We have contacted the fire department and they have no issues with our plan. I will email that approval over when I receive that as well. We are waiting to hear back from city planning.

Thank you for all of your help in this matter,

Angie Ziehme
