Alders Abbas and Kemble have requested the Raemisch Farm proposal be referred into September to get the school district issue figured out. Marty's official written request for referral is below.

Marty,

Alder Abbas spoke about pushing your review back to the September 14 Plan Commission (October 6 Common Council) meetings so he and Alder Kemble have more time to work with MMSD and DASD regarding school district boundaries. If this is something you have agreed to, can you please send me an email requesting referral of your project to the September 14 Plan Commission meeting? We just need to have things like this in writing.
