I was finally able to log on. Could I please have my time to comment?

From Shadayra Kilfoy-Flores to Everyone: 06:41 PM

I truly appreciate being allowed to speak. I'm happy to assist with this process. Especially recruiting more community input. Forward!

It is critically important that the community organizations that serve people most impacted by police contact are at the table during this police search.

Like Urban Triage and Freedom Inc and MUM.
