

## EXHIBIT B

Location in Nakoma Park will be 6 ½ ft Southwest of the pedestrian path behind the tennis court, and 7 ft Northwest of the Nakoma Rd sidewalk.

The kiosk will be mounted on a single post, set into the ground in concrete. It will measure approximately 29 inches high by 20 inches wide, made of recycled plastic resin, with lockable door of shatterproof plastic. The top of the sign will be approximately 5 ½ ft above ground.
