

Business Plan

Freymiller's

We plan to lease the building at 521 Cottage Grove Road, Madison WI 53716 and change the name to Freymiller's. This will operate as a bar/tavern with beer, liquor and wine. Will little to no food besides frozen pizza.

Hours of operation will be 9am to bar time. We will hire upgraded security with onsite management to be handled by Keith Maggit and Kyle Freymiller.

Parking lot will be monitored every weekend from 10 to bar time, every 30 min. We will also install an upgraded ADT security system with more exterior cameras to keep eyes on the parking lot so that patrons do no congregate and cause a disturbance.

To help the exterior look we will install an awning over the entrance.
