

BOH VP Update

# Background

- 2018 PHMDC reassigned 2 positions to violence prevention
  - Educated partners and community on Public Health Approach to violence prevention
  - Established new strategic partnerships in order to build understanding of current violence prevention
  - Formulated key partnerships needed for data infrastructure
- PHMDC has worked to jump start some violence prevention initiatives
  - Convened inaugural violence prevention coalition meeting
  - Community Safety Intervention Team (CSIT)

# Where are we today

- Revitalized CSIT to better support how the group analyzes violent incidents and trends
  - Purpose: to identify individuals and groups at greatest risk for being shot or for pulling the trigger
  - Worked with this group to establish needs in order to make the largest impact (IAS, Data, Format, Database, Mapping)
- Past 2.5 months have been used to develop the Roadmap to Reducing Violence (working title)
  - Comprehensive plan that identifies five key areas of work for Madison and Dane County
- Formal establishment of PHMDC's Violence Prevention Unit (VPU)

# Overview of Roadmap to Reducing Violence

- **Understand Violence in Our Community Through Data**
  - **Bolster and Increase Intervention and Continuous Healing for Those Affected by Violence**
  - **Support Community Engagement with Children, Youth and Families**
  - **Strengthen Community Capacity, Engagement, and Coordination of Violence Prevention Efforts**
  - **Foster Strong Neighborhoods**
- Activity examples:
    - Enhance local capacity to access, analyze, and utilize violence-related data from variety of sources.
    - CSIT
    - Increase coordination of mental health and trauma services across agencies to support children, youth and families exposed to multiple forms of violence.
    - Explore a community safety worker pilot that aids communities in conflict resolution and deters law enforcement involvement from low level conflict.
    - Explore group intervention model

# Overview of Hub and Spoke

# Overview of Violence Prevention Unit (VPU)

# Next Steps

## Violence Prevention Unit

- Budget Hearings and advocating for new PHMDC positions that are essential to VPU
- Planning for the next Violence Prevention Coalition of Dane County meeting (aiming for January 2021)
- Improving our data infrastructure to aid be more forward facing to allow for the public and stakeholders to be more informed about violence in Madison

## Roadmap to Reduction

- Community and Stakeholder Feedback
- Working to develop a few instruments to solicit meaningful feedback from community members and agencies engaged in the work
- Feedback to begin in November 2020
- Feedback will be incorporated and further recommendations will be developed in December 2020/January 2021
- Process is currently on track for implementation kick off in January 2021
