Subject: Plan Commission

Dear Ledell,

First I am writing to urge you to vote against Item 61672 on the Plan Commission agenda Monday, the 19th. Building an apartment above the garage is not in the best interest of our neighborhood. The houses on Paterson have small backyards, garages, yes and no apartments on top. To build this one simply creates a front yard in the backyard, a structure more suited for the street side. We need to keep the greenery and use of back yards around. As you well know, our neighborhoods here are fragile and proposals like this can begin to erode their character.

Best, Anne
