RE: Legistar #62087; Accela LNDUSE-2020-00097 -- Approval of a demolition permit to raze a single-family residence at 1359 Fish Hatchery Road for expanded open space for an existing office and amendment to a PD-GDP-SIP

Dear Mr. Ternus:

At its October 19 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your request for a demolition permit to raze a residence at 1359 Fish Hatchery Road for expanded open space for an existing office campus in a Planned Development (PD) zoning district and amendment to the General Development Plan and Specific Implementation Plan (PD-GDP-SIP). In order to receive final approval of the zoning map amendment and for any permits that may need to be issued for your project, the following conditions shall be met:

Please contact Jacob Moskowitz, Assistant Zoning Administrator at (608) 266-4560 if you have any questions regarding the following three (3) items:

1. Section 28.185(7)(a)5. requires that if a demolition or removal permit is approved, it shall not be issued until the reuse and recycling plan is approved by the Recycling Coordinator, Bryan Johnson (608-266-4682).
2. Section 28.185(10) Every person who is required to submit a reuse and recycling plan pursuant to Section 28.185(7)(a)5. shall submit documents showing compliance with the plan within sixty (60) days of completion of demolition.
3. Section 28.185(9)(a) A demolition or removal permit is valid for one (1) year from the date of the Plan Commission.

Please contact Tim Troester of the City Engineering Division at (608) 267-1995 if you have any questions regarding the following six (6) items:

4. Obtain a Street Terrace permit for the proposed work (installation of the driveway apron, landscaping, etc.) This permit application is available and must be completed on line at <http://www.cityofmadison.com/engineering/permits.cfm> (MGO 10.08)

5. Close all abandoned driveways by replacing the curb in front of the driveways and restoring the terrace with grass.
6. Obtain a permanent sewer plug permit for each existing sanitary sewer lateral serving a property that is not to be reused and a temporary sewer plug permit for each sewer lateral that is to be reused by the development. The procedures and fee schedule is available online at
7. <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14))
8. Current plan shows less than 4,000 sf disturbed area. If plans are not revised, no Erosion Control or Storm Water Management Permits will be required.
9. Submit, prior to plan sign-off but after all revisions have been completed, a digital CAD file (single file) to the Engineering Division that is to scale and represents final construction with any private storm and sanitary sewer utilities
10. Submit, prior to plan sign-off but after all revisions have been completed, digital PDF files to the Engineering Division. Email PDF file transmissions are preferred to: bstanley@cityofmadison.com (East) or tstroester@cityofmadison.com (West).

Please contact Jeff Quamme of the City Engineering Division – Mapping Section at (608) 266-4097 if you have any questions regarding the following two (2) items:

11. The site plan shall include all ownership lines and parcel dimensions.
12. Provide a full and complete legal description of the site or property being subjected to this application on the site plan.

Please contact Sean Malloy of the Traffic Engineering Division at (608) 266-5987 if you have any questions regarding the following three (3) items:

13. The applicant shall submit one contiguous plan showing proposed conditions and one contiguous plan showing existing conditions for approval. The plan drawings shall be to engineering scale and include the following, when applicable: existing and proposed property lines; parcel addresses; all easements; vision triangles; pavement markings; signing; building placement; items in the terrace such as signs, street light poles, hydrants; surface types such as asphalt, concrete, grass, sidewalk; driveway approaches, including those adjacent to and across street from the project lot location; parking stall dimensions, including two (2) feet of vehicle overhang; drive aisle dimensions; semitrailer movement and vehicle routes; dimensions of radii; and percent of slope.
14. The City Traffic Engineer may require public signing and marking related to the development; the Developer shall be financially responsible for such signing and marking.
15. All existing driveway approaches on which are to be abandoned shall be removed and replaced with curb and gutter and noted on the plan.

Please contact Bill Sullivan of the Fire Department at (608) 261-9658 if you have any questions regarding the following one (1) item:

16. Please consider allowing Madison Fire Dept. to conduct training sequences prior to demolition. Contact MFD Training Division to discuss possibilities: Division Chief Paul Ripp at pripp@cityofmadison.com or (608)712-6277.

Please contact Jeff Belshaw of the Water Utility at (608) 261-9835 if you have any questions regarding the following one (1) item:

17. The Madison Water Utility shall be notified to remove the water meter at least two working days prior to demolition. Contact the Water Utility Meter Department at (608) 266-4765 to schedule the meter removal appointment.

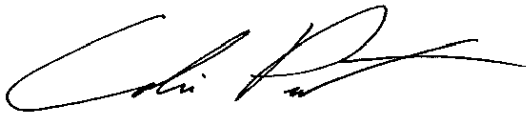

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining permits for your project:

1. After the plans have been revised per the above conditions, please **one (1) complete digital plan set in PDF format** of complete, fully dimensioned, and to-scale plans; the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code; and any other documentation requested herein to the Zoning Administrator at zoning@cityofmadison.com. (Note that that an individual email cannot exceed 20MB and it is the responsibility of the applicant to present files in a manner that can be accepted. Please email zoning@cityofmadison.com regarding questions or if you need alternative filing options) The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator.
3. Requests to alter a Planned Development District shall be made to the Director of Planning and Community and Economic Development (DPCED). Upon receipt of the request, the Director shall determine if the request constitutes a major or minor alteration to the Planned Development District. The Director may refer any request for alteration to the Urban Design Commission for an advisory recommendation. Minor alterations may be approved the Director of DPCED or designee following consideration by the alderperson of the district if the requested alterations are consistent with the concept approved by the Common Council. If the alderperson of the district and the Director of DPCED do not agree that a request for minor alteration should be approved, then the request for minor alteration shall be decided by the Plan Commission. Major alterations may be approved by the City Plan Commission if the requested alterations are consistent with the concept approved by the Common Council. Major alterations that represent a substantial departure from the concept approved by the Common Council may be approved only after all of the procedures in Sec. 28.098(5) have been satisfied.
4. This approval shall become null and void one (1) year after the date of the Common Council approval if a copy of the plans, zoning ordinance amendment, and related documents have not been recorded with the Dane County Register of Deeds office. Where the plans have not been altered from the Common Council's approval, the Director of Planning and Community and Economic Development may approve an extension for up to 24 months from the expiration date.

If you have any questions regarding obtaining your demolition or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,

Colin Punt
Planner

I hereby acknowledge that I understand and will comply with the above conditions of approval.
