Dear Water Utility Board Members,

This is my public comment Re: <https://madison.legistar.com/View.ashx?M=A&ID=721274&GUID=1EB367E2-9B69-4DC8-A786-F4A58997A635>

Agenda Item 2. 63165 Presentation of Madison Water Utility's updated Master Plan

There is no Master Plan doc. available online. Just an Agenda subject heading - placeholder.

A favorite tactic of Water Utility staff – or any kind of government staff who think they can get away with it – post a major subject item on the Agenda for discussion –but not the doc. itself. It's "presented" the day of the meeting – so you don't have time to digest, prepare questions ahead of time.

Very cute.
