

To whom it may concern,

My name is Ben Killips and I am a downtown resident. I am not able to attend today's zoom meeting to discuss Agenda Item 63041, but I wanted to pledge my support of that amendment. I believe we need to continue to provide pedestrian- and bicycle-friendly spaces in our neighborhood. Restricting the use of cars in this area will help make the neighborhood a safer place both for residents and those visiting our great downtown.

Thank you for your time.

All the best,  
Ben Killips
