17:40:01 From Gloria Stevenson-McCarter : Gloria Stevenson-McCarter - present MOSES

17:40:39 From Dan Fitch : it would be super useful in the future to post the order so people know when they're going to speak

17:41:05 From Mike Quieto : It is listed on the agenda on the City website

17:41:43 From Dan Fitch : good to know, thank you!

18:03:39 From Mike Quieto : We're well past 3 minutes at this point

18:04:06 From Amelia Royko Maurer : I am calling in now due too poor signal.

18:04:46 From Mike Quieto : We are now past 5 minutes

18:06:54 From Amelia Royko Maurer : Mike Quieto, is there still the hour limit for total public comment?

18:07:24 From Mike Quieto : We should be ok as long as everyone sticks to 3 minutes.

18:13:06 From Mike Quieto : That was 3 mintes

18:13:36 From Amelia Royko Maurer : But are you letting people know when they hit the 3 min mark?

18:14:09 From Mike Quieto : Everyone: when the charming chimes on my phone go off — that's your 3 minutes. If you go beyond, you're taking time away from other people.

18:14:40 From Amelia Royko Maurer : How about you just advocate for people to say what they need to say and get rid of the time limits?

18:15:29 From Amelia Royko Maurer : There we go.

18:15:32 From Amelia Royko Maurer : Please add more time.

18:15:36 From Amelia Royko Maurer : People could not hear.

18:17:45 From Amelia Royko Maurer : Mike, can you explain how the sign-up process was decided upon?

18:19:29 From michael s to Mike Quieto (Privately) : Just speak!

18:31:20 From Barbie Jackson, MOSES, she/her : Will we be able to speak again on Monday before a hiring decision is made? I need to listen to the interview materials you have provided to know who to recommend but I did not have time to do it before this evening. Thank you.

18:32:36 From Dan Fitch : Mike you folks need to put that information on how to register clearly on the web site please

18:32:41 From JACK K PHILLIPS : The issue is more that every other system has that as an interactive form on the site. Mike, you were very helpful getting me registered, but that's the main point of confusion

18:32:54 From Shadayra Kilfoy-Flores : I truly appreciate the clerk's office helping but it absolutely shouldn't be necessary

18:34:40 From Dan Fitch : Also folks are just requesting PFC use the same registration method as other boards and committees; that form is accessible from all devices and much less confusing

18:35:07 From Alec Esther (@highestwinds) : You shouldn't have to have a worse system just to make yourself seem helpful.
