Thanks Mike,

Now it makes more sense. On the previous emails, September's minutes came up, not December's agenda.

See you all tonight.

Just type your answers into an email, and that will be fine. You will be the twentieth person called on during the public comment section of the meeting this evening. All of the meeting information, including the agenda and the zoom link, is on the city website:

Please make sure that you use your own name as the Zoom screen name to make it easier for the chair to recognize and unmute you.

Mike,

I see the registration form, but I'm unable to fill it out. How would you like me to proceed?

I just got my laptop back from repair, but not everything is working properly as of yet.

Can you just put me on the agenda for tonight's meeting as speaking on behalf of Meadowood Neighborhood Association?

Again, I won't be in need of much time unless you all have follow-up questions.

Please advise.

Hello Jenna,

I'd like an opportunity to speak at tonight's meeting (12/14/20) regarding the final phase of the MPD chief hire. I spoke at a previous meeting representing Meadowood Neighborhood Association.

How do I access tonight's meeting? What if anything do you need from me? I won't need a lot of time as this would only be a short discussion of questions, concerns, comments, and considerations regarding the final four candidates (5 minutes or so).

Thank you.

Hello Jenna,

Are the PFC meetings recorded, and if so, is it possible to get access to the public hearings portion that have been conducted for the Police Chief over these past several months?

Thanks for your help with this matter.
