Check the box(es) for the exception criteria you feel are applicable:

1. Public exigency (emergency) will not permit the delay incident to advertising or other competitive processes.
2. The services or goods required are available from only one person or firm (i.e., **true** sole source).
3. The services are for professional services to be provided by attorneys.
4. The services are to be rendered by a university, college, or other educational institution.
5. No acceptable bids have been received after formal advertising.
6. Service fees are established by law or professional code.
7. A particular consultant has provided services to the City on a similar or continuing project in the recent past, and it would be economical to the City on the basis of time and money to retain the same consultant.
8. Otherwise authorized by law, rule, resolution, or regulation. Explain:
- If procurement is being paid with Federal or State grant funds, the vendor was identified by name in the approved Grant Application. (OPTIONAL)

REASON FOR REQUEST**WHY A COMPETITIVE SELECTION PROCESS CANNOT BE USED:**

Provide **detailed** explanation below. For a true sole source, provide all information to explain why this product or service can only be purchased from this vendor. For one-of-a-kind items not sold through distributors, explain the unique performance features of the product requested that are not available from any other product. For services, detail the unique qualifications this vendor possesses, or other reason(s) that meet the criteria selected above. Identify specific, measurable factors and qualifications.

Authorizing the Mayor and the City Clerk to enter into a sole source contract with Budget Truck and Auto, Inc. for five years, January 1, 2021 - December 31, 2025 for repair of Gillig and New Flyer buses. Metro Transit on occasion needs a body shop to perform structural repairs on Gillig and New Flyer buses. An authorized repair shop to perform the repairs removes the liability from the City of Madison. Metro employees are not trained to do structural repairs, and Metro does not have the proper tooling. Budget Truck and Auto, Inc. is the only body shop in Wisconsin recommended to do warranty work that Metro is unable to perform.

COMMENTS REGARDING PURCHASES OVER \$50,000

The City of Madison has paid Budget Truck & Auto \$478,393 since 2015 for bus repairs, all of which has been non-competitively selected.
