Hello,

I would like to register my opposition to the HyVee freestanding liquor store on the corner of D'nofrio and Mineral Point Rds. There are at least 10 stores in the area that sell alcohol of various types including Metcalf, Steves, Target, Pick and Save, Woodman's and Brennan's Cellars. Brennan's and Steve's already offer the 'upscale' type of experience HyVee states they wish to have.

There is the additional, and just as concerning issue of compounding traffic problems on an already very busy intersection and street as people pull in and out of the parking lot. Traffic is frequently backed up. In the next year, multi unit housing development are being built on the Pizzeria Uno site which will funnel even more traffic onto the congested street.

I feel HyVee must have some assurances this will go through since they are already working in the building. Although they are a very good company and I'm sure will do their best, the hours and location of this store do not fit well in the neighborhood.

Thank you for your consideration.
