Hi Jim,

I was hoping to get some information about extending the start date of our liquor license. Is that something you can help us with? We had a delay in getting our building permit and it looks like we will be formally starting buildout in a couple weeks with anticipated opening in late March/early April.

Thank You,

Brent Mann

Good afternoon,

Congratulations! The Common Council granted your liquor/beer license application at the 9/1/2020 meeting. The following items must be completed and/or submitted to the City Clerk's Office before we can issue your license:

- **Building Inspection**—It is your responsibility to schedule this inspection by calling Building Inspection at (608) 266-4551 or orinspection@cityofmadison.com.
- **Health Inspection** —It is your responsibility to schedule this inspection by calling the Health Department at (608) 242-6515 or health@publichealthmdc.com.
- **Fire Inspection** —It is your responsibility to schedule this inspection by calling the Fire Department at (608) 266-4420 or fireprevention@cityofmadison.com.
- You will need to call **Zoning** at (608) 266-4551 or zoning@cityofmadison.com to discuss the zoning regulations that would affect your establishment.
- **Licensing Fees** must be submitted to the City Clerk's Office. The liquor license fees will be prorated for the remainder of the licensing year, and "Class B" Combination Liquor and Beer licenses issued may incur a **\$10,000 reserve fee**. *Checks should be made payable to City Treasurer.*

On your application, you affirmed on question 33 to agree with the Statement of Intent (as part of Madison General Ordinance 38.05(3)(a)12) to complete all the above steps and be issued your license within 180 days of the Common Council granting your license. If you do not complete these steps and have your license issued within 180 days of granting, the license shall be considered surrendered. Per

the ordinance, if construction activities will delay your inspections, you may petition the Common Council for an extension of this deadline. You should submit your request and proof of these delays to the clerk's office at least a month in advance of the deadline. Your request will go before the ALRC, followed by the Common Council's final action.
