Re: Ashley Weisman Operator License

I am writing a letter of support and reference for Ms. Ashley Weisman regarding her Operator's License with the City of Madison, Wisconsin. Ms. Ashley Weisman has been working for Ho-Chunk Gaming in the food and beverage operations since October 15, 2018. During the pandemic we ended the food and beverage operations and she was recalled into the bar. Since her initial employment she has proven to be an excellent employee and actually moved up to a supervisory position in a relatively short period. The Ho-Chunk Nation is adamant about the training and retention of our enrolled tribal members through employment and she is prime example of successful rehabilitation and reintegration in our society.

I would like to reinforce her abilities and be clear that her past has not impacted her present. In the event that she is not able to maintain her license, she will not be able to supervise in our bar operations. I would implore you to look past the mistakes of her youth and help her to be a better adult. We have faith in her ability and dedication to Ho-Chunk Gaming Madison and the Ho-Chunk Nation, we just wanted to share that with you. Please allow Ms. Ashley Weisman to maintain her Operator's License from the City of Madison, Wisconsin.

If you have any questions please feel free to contact via email ([jon.warner@ho-chunk.com](mailto:jon.warner@ho-chunk.com)) or call (608) 223-9576 extension 23610.
