Dear Lesley Parker,  
Thank you for this information. Here is my written public comment to be forwarded:

To Whom it may Concern:

We were shocked to learn that we will need to pay \$8000 out of pocket for this project, in the middle of a pandemic, when many people are losing jobs, or have to take pay cuts or furloughs. At a time when the federal government is sending checks to people all over the country to help them survive, you drop this bombshell of a bill on us. We pay huge property taxes. Doesn't any of that money go to fixing the sewers and streets? And just because we have no sidewalk, we have to pay this exorbitant amount of money? It is unconscionable. We do not want to go into debt simply to endure months of noise and disruption. I'd like to see evidence that this project is necessary at this time.

Sincerely,  
Alexandra

Alexandra,

There are two ways to attend the public hearing. Option 1 is to request an observer-only invitation here: <https://www.cityofmadison.com/city-hall/committees/meeting-schedule/watch?meeting-id=51808>.

Option 2 is to register an opinion (support/oppose/neither) regarding an item on the agenda here: <https://www.cityofmadison.com/city-hall/committees/meeting-schedule/register?meeting-id=51808>. The same link can also be used to sign up to speak at the public hearing. Registrants to speak get 3 minutes each. Hillcrest is item 6 on the agenda.

The meeting will start at 4:30 but the public hearings for special assessments will not open until 5:30 (or when the item currently under discussion at 5:30 concludes). You will be sent a Zoom meeting link and can join or leave at any time.

If you would like to submit a written public comment, reply to this email and I will forward it on to the board.

Regards,

Lesley Parker
