RE: Legistar #63785; Accela ID: 'LNDUSE-2021-00003' – Approval of a conditional use to construct an accessory building on a lakefront parcel in the Traditional Residential – Varied 2 (TR-V2) Zoning District at 725 Jenifer Street.

Dear Ms. Steege-Reimann;

At its March 22, 2021 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your conditional use request to construct an accessory building on a lakefront parcel in the Traditional Residential – Varied 2 (TR-V2) Zoning District at 725 Jenifer Street. In order to receive final approval of the conditional use, and for any permits to be issued for your project, the following conditions shall be met:

Please contact Brenda Stanley of the Engineering Division at (608) 261-9127 if you have any questions regarding the following item:

1. The applicant shall show the regulatory FEMA floodplain on the plan set. Based on the dimensioning provided it appears the addition will be within the regulatory floodplain.

Please contact Jacob Moskowitz, the Assistant Zoning Administrator, at (608) 266-4560 if you have any questions regarding the following item:

2. Show the designated flood plain area on the site plan. Any construction within a flood plain shall meet floodproofing protection measures and such design shall be certified by a registered professional engineer or architect per 28.121(12) of the Madison General Ordinances.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining your conditional use:

1. After the plans have been revised per the above conditions, please resubmit a PDF copy of the complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator (zoning@cityofmadison.com). Note that the 20MB email limit still applies.

Please mail the check, made out to "City Treasurer", for the site plan review fee to the following address: City of Madison Building Inspection P.O. Box 2984 Madison, WI 53701-2984. Include a cover page with the check, which includes the project address, brief description of the project, and contact information.

2. This property is not located within a wellhead protection district. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
4. A conditional use approval is valid for two (2) years from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted. Where the plans have not been altered from the Plan Commission's approval, and the conditional use has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to twelve (12) months from the expiration date.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at (608) 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at sprusak@cityofmadison.com.

Sincerely,
