Greetings. The purpose of this note is to express my strong support for the completion of the Cannonball bike path that is a part of item 12 on the April 28 TC agenda. This is as exciting as it is long overdue. I am a frequent user of the path, including the unfortunate Fish Hatchery Road portion where the path ends and eagerly look forward to the completion behind Capitol Newspapers and via Bowman Field. Thank you for supporting this critical link in the bike path network.
