Good afternoon,

Please extend the Cannonball bicycle path behind the Capitol Press, along the railroad track, into the Bowman Field/Wright Middle School drive -- addressed at today's (April 28) Transportation Committee meeting, Item 12 on the agenda.

Current Fish Hatchery bike lanes, which the Cannonball trail would augment, are not safe for all levels/ages of bike riders. Providing a dedicated path that connects to the Wingra bike path would be a welcome improvement.

Thank you,
