Re: 438 and 442 Hercules Trail – CSM

Tim:

Please accept this submittal of a Certified Survey Map and related documents for a 3 Lot CSM. The intent of this CSM is to create a new Outlot that will be dedicated to the public for stormwater management. The design of the next phase of construction within the neighborhood has prompted the need for an expanded stormwater management area.

Enclosed please find the following:

- Certified Survey Map Application Forms
- Certified Survey Map
- Check in the amount of \$750 for the application fee (to be mailed)
- 60 year title report

We look forward to working with you on this project. Please let us know if you have any questions.

Sincerely,  
D'Onofrio, Kottke & Associates, Inc.
