Hi Patrick,

I live at 303 N. Hamilton.

I support the 20 is Plenty proposal for our community with the caveat that I strongly feel it should also apply to E Johnson and E Gorham. I live between these two streets and cross them almost daily (basically whenever I need to go anywhere...). They are dangerous and scary and are lined with tons of residences and multiple public parks. The speed limit should absolutely be reduced on them as well as the other streets in the proposal for our district.

I have a conflict with the meeting this afternoon and can't attend. I didn't want to register my support without adding this comment to it, though.

Thank you!

Emily
