DATA

The last time we met, our 14-day averages looked like this:

Our current 14-day average

Hospitalizations

Hospitalizations have gone up slightly but are still 5-fold less than they were in late fall.

Today there are 36 people hospitalized.

LOOKING

AHEAD

Vaccination Projection

Share of Dane County residents age 16+ with at least one dose of vaccine

- actual
- projected

Looking Ahead

Continuing Efforts to Reach People

Simplified appointment procedure and allow drop-ins at Alliant

Hosting mobile clinics to reach people where they are (e.g., First Street Clinic, YWCA, Different homeless encampments)

Pop-up clinics starting next week

Looking Ahead

Assuring testing and vaccination will be readily available after we leave Alliant (June 30)

Assessing logistics for testing and vaccination at our current permanent locations

Investigating options for community sites located throughout the county
