Subject: ALRC Agenda Items #52 and #58

Dear ALRC Members,

I have reviewed the applications for Items 52 (Delicacies of Asia) and 58 (Koi Sushi), both on State Street, that are on your agenda this evening. I also attended the informational meetings held by each applicant. In those conversations, both businesses agreed to have their food menu available whenever serving alcohol, so I do not have concerns related to their drifting towards acting as taverns, particularly since they do not propose to stay open until bar time.

If ALRC prefers that a condition be included on both licenses requiring that food be available when serving alcohol, I would not object.

Thank you for considering my input.
