

# Topics for Discussion at Future Madison GI Task Force Meetings

Version 2\_June 30, 2021

## MGIPP Branding/Promotion

- What should we name the guaranteed income program?

## Staffing Research Fellow and Program Manager Positions

- How to get the best candidates for the two positions at UW-Madison Institute for Research on Poverty?

## Study Design

- How to communicate the nature of the randomized controlled trial? How to explain the collective benefit of participating in the control group?
- What questions/topics do we want to add to the applications?
  - Housing status
  - Information on young people in the household – education, justice system involvement, etc.
  - Other?

## Participants and Recruitment

- What do we need to focus on in the design of outreach materials?
- How best to conduct outreach to potential participants?
- What issues need to be covered while onboarding participants?
- How should we handle issues regarding public benefits for potential MGIP participants
- What types of programs/benefits should we focus on?
- What should be included in benefits counseling?
- Other issues or strategies re: public benefits cliffs and harm mitigation?
- How to structure any “benefit loss contingency fund”?
