To whom it may concern,

I am writing in support of ZBA agenda 7/15/21 item #3, legistar 66178.

As a near neighbor I am delighted to welcome this project into the neighborhood. I appreciate the city's flexibility to ensure good projects like this which meet our shared goals of *truly* affordable housing while also being welcoming of families, being retrofitted to be ADA accessible, and also intentionally looking to support young adults expericings housing insecurity, with a supportive healthy cooperative culture- can happen.

Thank you for your consideration.
