Hello Jim,

Please consider this as input to ALRC on the application for the East Johnson Family Restaurant.

Given that the Plan Commission has placed a condition of approval on the Conditional Use Permit that requires the backyard patio area to be clear of servers and customers after 10pm at the latest, 7 days per week, I support this application for a new license. If the ALRC chooses to place conditions on the new license that dovetail with the Plan Commission's conditions, I would not object.

The Tenney-Lapham Neighborhood Association Council voted to support the new business' requests of Plan Commission and ALRC. Due to the backyard patio's close proximity to residential properties, I sent notification postcards for the ALRC meeting to all surrounding neighbors, including those who are potentially exposed to the backyard patio area. Additionally, the applicant indicated they would put out flyers for their informational meeting held on July 14. I was unable to attend that meeting.

Thank you.
