Hello Jim,

Please consider this as input to ALRC on the application for the Caribou Tavern to extend their licensed premises.

In conversation with the applicant, I learned that the four outside tables (approved via the Streatery Program) have signage that limits their use to hours before 9pm and that staff is instructed to tell any post-9pm table users that the tables are off limits. As you know, the Steatery Program can allow seating in that area as late as 11pm.

Due to the rear parking lot being in close proximity to residential properties, I suggest that the 9pm closing time become a condition of approval for the extension of premises. Via email, the applicant indicated that this was acceptable. ALRC may want to better understand how the rear parking lot area is monitored by staff after 9pm. Otherwise, I support this application.

Thank you.
