Subject: Historic Preservation Planning

Message:

I am writing to urge Members of the commission to consider the wishes of over 2000 people who have signed a petition to "Save the Wonder Bar." It would be a travesty to tear down this historic building which is part of the history of Madison. I ask that you require McGrath, developer of the new building at 222 E. Olin Av., to preserve this building as a condition of any approvals they seek.
