Subject: District 15 Agenda Items

Good afternoon, commissioners,

I will not be able to join your meeting tonight, but wanted to share my feedback on several D15 items that are on your agenda for consideration:

#8 - 507 Davidson Street demolition - I join the neighborhood association in supporting this request.

#9 - 517-521 Cottage Grove Road; food cart at Dive Inn - I understand this item is recommended for referral to a subsequent meeting and support that referral.

#13 - 3570-3578 E Washington Avenue demolition - I support this request.
