Re: Letter of Intent for the Village on Park Certified Survey Map

This project is to update the Certified Survey Map at Village on Park to create a lot for sale to the Urban League of Greater Madison. The proposed lot is shown on the CSM as lot #2 in the southeast corner of the site.

The existing location is an open space that is currently owned by the Community Development Authority.

The intended use of the new lot will be for a new office building for the Urban League of Greater Madison.

The CSM was prepared by Snyder Associates.

The project site is located at 2300 South Park Street in Madison, Wisconsin.

Sincerely,

*Matthew Wachter*
