Plan Commission Members:

I have owned and lived at 1024 Williamson St.(a single family home) for almost 41 years. In addition, I have operated my veterinary clinic at 1014 Williamson St. for 40 years. In April of this year, I contacted Madison Zoning Dept. about construction being done at 1040 Williamson St. without a Building Permit.

I have no problem with the applicant building a small two car garage in the rear of 1040 Williamson St. However, I do oppose a housing structure proposed above the garage. This property was originally a single family home. And now the applicants want to eventually have three rental units on the property.

Sincerely,
Mike Kohn DVM
