#### Description

Madison should transition to a full-time Common Council

Madison should reduce the size of the Common Council to ten (10) members elected concurrently with the Mayor. (4-year terms)

Madison should increase Common Council member pay to 80% of the area median income for a single parent with two children (approximately \$67,000).

Madison should maintain geographic aldermanic representation.

Madison should increase aldermanic terms to four (4) years.

Madison should impose term limits of twelve (12) consecutive years.

Madison should increase Council leadership terms to two (2) years if the Council terms are increased to four (4) years.

That any structural changes to the Council take place at the election immediately following redistricting.

That any changes to the size of the Council or the terms of its members be made by charter ordinance subject to binding referendum of the electors.

#### Description

Provide childcare at meetings

Validate parking for people attending meetings

Make Council proclamations before the legislative business begins at 6:30 p.m.

Allow video testimony or live electronic participation such as through the internet, from remote centers of the City, or other electronic means

Allow public comments to be made and considered prior to a meeting, such as through a system that notifies residents of decisions to be made, asks for their input, and then relays that input to decisionmakers

Separate public testimony from legislative debate and action by allowing individuals to provide input at the beginning of Council meetings regardless of when the item on which they wish to speak is considered

Vary meeting locations throughout the City

Make written comments available to the public and Council members at the time of the meeting Avoid late-night meetings and reduce overall length of meetings

Adhere to and/or change current rules regarding the length of alder statements at Council meetings

Improve accessibility and functionality of Legistar

Create a way for people to provide input in Legistar or some other appropriate platform Provide classes for the public to learn how to use Legistar

On the City website, allow option for having a chat with a City employee who can direct a resident in the right direction should they have an issue or question about government services Continue working towards having a 311 number for City services

Maintain subscription lists for Council and BCC items so that residents can be made aware of issues coming before a body through an email blast or text message and report back promptly when a decision has been made

Review customer relation software options that may create better processes for residents to navigate City services, such as through a ticketing system where issues are ticketed, followed up on by staff, and then the results reported back to the person requesting the service Add more than just the name of meetings to the City calendar so that more information can be obtained with one (1) click, instead of requiring multiple clicks to get relevant and substantive information about a meeting
