**Re:** Letter of Intent for CDA-Village on Park North Building Demolition & Surface  
Parking Lot Build project for Demolition Permit

This project is for demolition of the North Building area of the Village on Park multi use building and replacement surface parking lot in its place.

The intended use of the new surface parking lot will be to provide additional parking spaces for the existing Village on Park multi use building and a new office building for the Urban League of Greater Madison located in the southeast corner of the site.

The existing site is currently owned by the Community Development Authority.

The project site is located at 2300 South Park Street in Madison, Wisconsin.

Sincerely,

Michael Kunding, Director of Specifications
