

Police and Fire Commissioners' Guide to City of Madison Web Resources

Racial Equity and Social Justice Initiative: <https://www.cityofmadison.com/civil-rights/programs/racial-equity-social-justice-initiative>

This site is developed and maintained by the Department of Civil Rights. Every city agency is required to engage in three applications of the equity analysis tools per year, only one of which can be a position/hiring review.

Police and Fire Commission: www.cityofmadison.com/pfc

The PFC Website contents are entirely at the discretion of the Police and Fire Commission. The layout and design is standard across the platform and cannot be modified. Updates to the content are made by the city's Document Services office and are often made the same day that staff (Mike) submits the request. Translation services are provided through the Department of Civil Rights and can take anywhere from a few days to more than a week depending on the length and complexity of the text being translated.

"City Hall" Public Safety Page: <https://www.cityofmadison.com/city-hall/public-safety>

This is just a landing page with links. If the Commissioners want to have more information here, Mike could have a conversation with the city's web team to determine that possibility.
