

Number	Task Force on Municipal Golf in Madison Parks Recommendations	Timeline as of 2020	Status/Notes	Timeline as of 2021	Status/Notes
1	The City should provide Municipal Golf in Madison Parks.	Spring 2021	Review/address through 2022 budgeting process	Spring 2022	Review/address through 2023 budgeting process
2	The City should remove the enterprise fund designation from its golf course	Spring 2021	Review/address through 2022 budgeting process	Spring 2022	Review/address through 2023 budgeting process
3	The City should update the mission of the golf program.	Fall 2021	Staff will prepare mission statements, which will be reviewed by BPC and Golf Subcommittee prior to finalization.	Fall 2022	Staff will prepare mission statements, which will be reviewed by BPC and Golf Subcommittee prior to finalization.
4	The City should issue a Request for Proposals to evaluate the option of a private or non-profit operator for Monona and establish a plan and timeline to eliminate eighteen holes at Yahara Hills.	Spring 2021	Resolution will be prepared to authorize development of RFP. All bodies will have ability to define parameters/conditions of RFP. Evaluate 2021 season, develop incremental closure plan of Yahara and implement if required.	Spring 2022	Explore RFP and other alternative operational models and partnerships for Monona. Develop incremental closure plan of Yahara and implement if required.
5	The City should work with the University of Wisconsin, including the OJ Noer Ag Research Station, to develop Integrated Pest Management protocols that are at the forefront of managing public golf courses sustainably.	Winter 2021	Staff will work with OJ Noer staff as 2021 turf management plans are developed. Staff will provide input to City's IPM Taskforce as work continues.	Ongoing	Extensive progress made in this area as a result of Glenway's project work. Staff continue to work with OJ Noer staff to develop the turf plan for the course with focus on reduction in water, energy, fertilizer, and pesticides requirements. IPM Taskforce is not yet resumed.
6	The City should work to promote positive ecological outcomes at the golf courses through reducing reliance on limited natural resources and providing ecological assets.	Ongoing	Continue partnership with volunteer at Odana, in early 2021 will work with private donor on plans for Glenway to enhance natural resources.	Ongoing	Continued partnership with volunteer at Odana. Significantly increased natural areas at Glenway and staff are in the process of developing a land management plan in collaboration with Ecology Team. Exploring installing a well at Odana before next season.
7	The City should work with stakeholders and staff to develop a specific action plan to promote equity and inclusion at all courses.	Ongoing	Continue to work with Parks Equity team and conduct outreach to implement team's recommendations.	ongoing	Continue to work with Parks Equity team and conduct outreach to implement team's recommendations. Completing Equitable Hiring Tool for all Golf hourly positions prior to 2022 recruitments. Developing Programming Plan for Glenway, with focus on equity and inclusion.
8	The City should work with residents, stakeholders, and partners to promote wider utilization by the community of the golf courses to better integrate the courses into the wider park system for uses other than golf.	Ongoing	Courses are utilized year-long for various recreational activities. Throughout 2021, staff will continue to work with stakeholders to determine and encourage other uses.	ongoing	Courses are utilized year-long for various recreational activities. Glenway Programming Team is developing plan to overlay non-golf uses with golf programming. Plan will be shared with Golf Subcommittee, BPC and FPF in early 2022.

Number	Task Force on Municipal Golf in Madison Parks Recommendations	Timeline as of 2020	Status/Notes	Timeline as of 2021	Status/Notes
9	The City should ensure that if City resources are used to invest in capital projects at golf courses it is done in an equitable and fiscally responsible manner to reduce negative impact on park services across the system.	ongoing, April 2021	Review/address through 2022 budgeting process and partner with other agencies/jurisdictions on pending projects to improve stormwater issues, work with private donor on potential course improvements at Glenway without City contribution. Continue work with Madison Parks Foundation to evaluate potential of soliciting other public partners/private donors.	Ongoing	Glenway project is nearing completion, which included complete course redesign and renovation without City contribution. Engineering Watershed studies continue to address stormwater concerns at Odana. Continue work with Madison Parks Foundation to evaluate potential of soliciting other public partners/private donors.
10	The City should not sell park land to fund capital improvements of the golf courses.	Fall 2024	Evaluate 2021 season, develop incremental closure plan of Yahara and implement if required. Review/address funding through budgeting process.	ongoing	The successful 2021 season should allow for a modest fund balance that could be considered to promote some reinvestment in the Golf program's assets. The Glenway project did not require City Capital resources. The needs for the courses from a capital infrastructure standpoint, however, remain very significant and there is not a plan to address these systematically within current budgetary allocations.
