BEGIN BUS TOUR

The Urban Design Commission, including various members of other City Commissions and Committees, as well as citizens in attendance, reviewed and informally commented on the architecture, design, physical form, landscaping and other elements of the projects listed on the tour agenda that have been previously reviewed by the Urban Design Commission. Staff provided an overview of issues associated with each of the tour sites, with the Chair, Wagner providing commentary on relevant adopted plans related to each item with further discussion and comments from those in attendance. No formal actions were taken or considered.
