### Event Work Group Report

Jon summarized the initial proposal developed at the first meeting held on February 15th. That proposal is for the SCCC to hold an annual event that would raise awareness in the community of the activities and value of the nine Madison Sister city organizations. The event would also be a fundraiser to support our activities. The work group envisioned a 2 to 3 hour event, Celebrate Madison Sister Cities, which would include a formal dinner with noted/inspirational keynote speaker. Possible speakers mentioned included noted authors, a UW alumni and representatives of an organization like the UN or Doctors without Borders. The event would open with an informal gathering with refreshments available where registration and networking would occur and where individual sister city information would be available and conclude with some musical entertainment.

It was suggested that March/April might be a good time of year and it was requested that the work group evaluate calendars for other city and county events to avoid conflicts. Jon recommended that an opportunity for additional comment on the initial proposal be provided to all SCCC members before the next work group meeting in March.

## DISCUSSION ITEMS

Samba suggested that the display case may be best utilized if there was one permanent display representing all Madison sister cities. This will be an agenda item at the next SCCC monthly meeting.

Carolyn will talk to Jasmine about a suggestion that table name tags be provided for SCCC members.

## ADJOURNMENT
