Weber thinks that someone with more influence needs to talk to West Towne Mall staff. Weber said there is potential for more spaces reserved for disabilities if the stalls are remarked in a new configuration. Weber will try to find an appropriate representative to talk to.

- 6.2. Weber to report on letter to McDonalds on East Washington Avenue East Side Shopping Center explaining concern about employees being told by management to direct customers to park on the access aisle. Weber to visit McDonalds during inclement weather to see if there are any issues due to weather.

- 6.3. Weber to report on review of South Madison branch library parking stalls reserved for persons with disabilities.

Weber said cars may still park in no parking hatched area and a ticket won't be issued. Putnam to request from BI that the access aisle and dis/vet spaces be moved one stall to the west on behalf of the PCFPWD.
