This Ordinance was Return to Lead with the Following Recommendation(s) to the COMMON COUNCIL ORGANIZATIONAL COMMITTEE

Assistant City Attorney John Strange provided an overview of the various recommended changes to Sec. 3.14 of the Madison General Ordinance. He pointed out a number of changes to the transportation advisory committee structure, as well as a recommendation to hire a Director of Transportation.

The LRTPC asked a number of questions. Susan DeVos asked about the “regional member” of the newly created Transportation Policy and Planning Board (TPPB), and expressed concern about having a non-City resident on the Board.

Margaret Bergamini wondered how the top transportation managers - the City Traffic Engineer, City Engineer, Metro General Manager and the new Transportation Director - would work together, given that they would be at the same comp group level and report directly to the Mayor.

Mark Shahan noted that Dane County and a Board of Public Works member would not be represented on these new committees.
