BUSINESS BY MEMBERS

- Tom DeChant gave a presentation to Cub Scouts on the Urban Design Commission.
- Jessica Klehr mentioned that she presented Madison College students with information on the UDC's responsibilities, as well as the two projects that appeared tonight.
- The Commission congratulated Rafeeq on his recent promotion.
- The Chair noted a discussion with staff regarding clarification on the things the UDC can encourage, enforce, and require with regard to environmental sustainability.
- Harper requested an update on the project at the corner of Bedford and W. Washington that the UDC previously approved. Firchow responded that that request isn't going forward. We do have an application for a drive-thru for re-approval for the new hardware store, not the larger redevelopment that this body saw, more or less a reusing of what's on the site.

SECRETARY'S REPORT

- Clarity on UDC's authority for sustainability
- (Virtual) Bus Tour 2021. Will be looking at projects to add, creative ideas of how to visit the sites, and which projects the Commission would like to see.
